

PROJECT OVERVIEW

WIS 32 (North Lake Drive) Reconstruction Project

The Wisconsin Department of Transportation (WisDOT), in partnership with the City of Milwaukee, is scheduled to start the reconstruction of WIS 32 (North Lake Drive) between East Newberry Boulevard and East Edgewood Avenue.

2024 Construction

North Lake Drive, **between East Kenwood Boulevard and East Edgewood Avenue**, is scheduled to be reconstructed. One southbound lane will be maintained for local traffic only.

Stage 1 Construction
scheduled July 22 to mid-fall 2024

Winter Shutdown
scheduled mid-fall 2024 to early spring 2025, with no traffic restrictions

2025 Construction

North Lake Drive, **between East Newberry Boulevard and East Kenwood Boulevard**, is scheduled to be reconstructed. One southbound lane will be maintained for local traffic only.

Stage 2 Construction
scheduled early spring to mid-summer 2025

The project will reconstruct the roadway, driveway approaches, construct ADA compliant curb ramps, improve drainage, upgrade traffic lighting and signals, and construct a protected bicycle lane.

Construction in 2024

North Lake Drive, between East Kenwood Boulevard and East Edgewood Avenue, is scheduled to close to through traffic while crews reconstruct the roadway. One southbound lane of traffic will remain open for local access between East Kenwood Boulevard and East Edgewood Avenue. Residents are encouraged to use the closest open side street to enter and leave the work zone.

Alternate Route

- » Motorists traveling southbound on North Lake Drive are encouraged to use WIS 190 (East Capitol Drive), North Maryland, and East Kenwood avenues to get around the closure
- » Motorists traveling northbound on North Lake Drive are encouraged to use East Kenwood and North Oakland avenues and WIS 190 (East Capitol Drive) to get around the closure

Access to businesses and residences will be maintained throughout the project. Temporary driveway closures may be necessary for short periods, and the contractor will contact property owners 48 hours before closing a driveway.

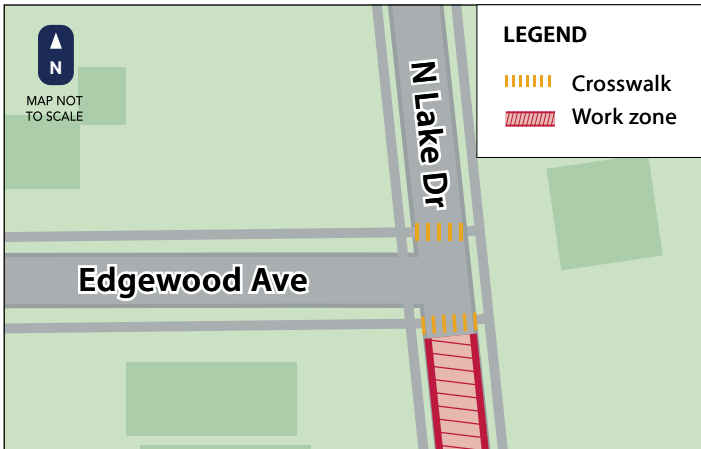

LEGEND

- Southbound alternate route
- Northbound alternate route

Pedestrian and Bicycle Access

During Construction

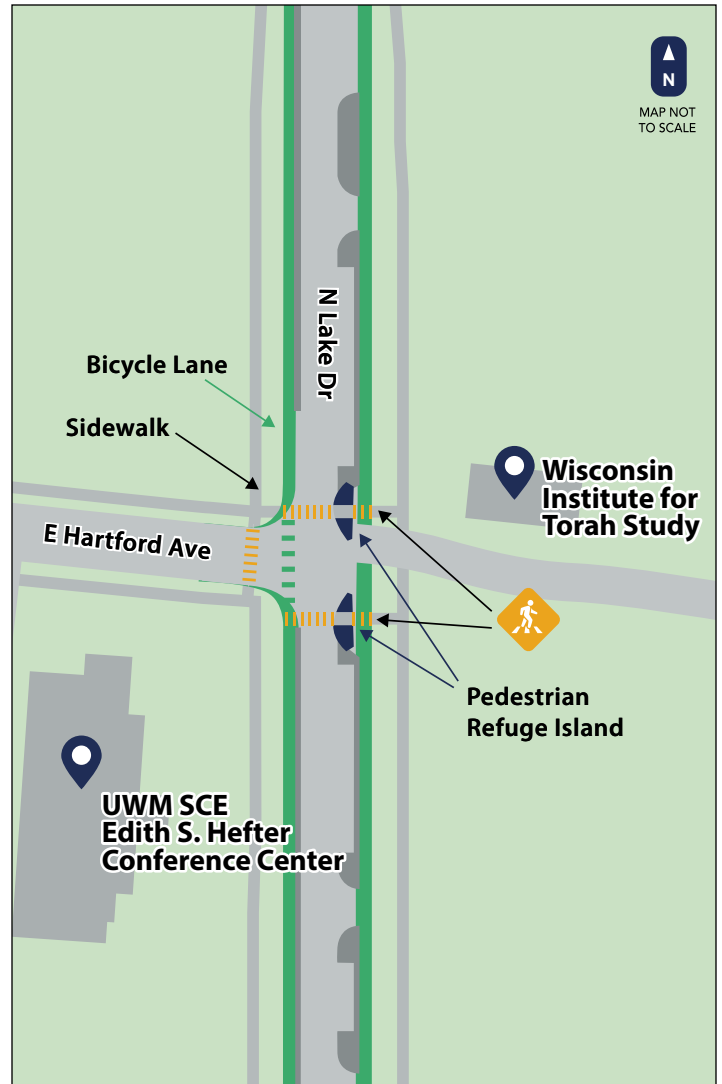

- Pedestrian and bicycle trail access and safety are a priority for the construction team.
- Pedestrians crossing WIS 32 (North Lake Drive) are encouraged to use the crosswalks at East Kenwood Boulevard or East Edgewood Avenue.
- Access to the Oak Leaf Trail at Lake Park will be maintained.

Pedestrian crossing access at Edgewood Avenue intersection during construction.

Pedestrian crossing access at Lincoln Memorial Drive intersection during construction.

Final design of Lake Drive at Hartford Avenue intersection.
