Walking 30 minutes a day is one of the best ways to maintain good health. According to growing scientific evidence, walking, done often and properly, can help to prevent cancer, heart disease, and diabetes. It also helps control weight, reduce cholesterol, lower blood pressure, increase mental well being and much more!

Walking Shorewood provides an exciting scenery, taking you through natural habitats, architecturally diverse neighborhoods to vibrant shopping districts. The Village of Shorewood measures a mile by a mile-and-a-half bordered by Lake Michigan to the east and the Milwaukee River to the west and provides 28 miles of roadway and double that in sidewalks.

When people can travel to shops, schools, and parks without a car, walking is no longer a task on the to-do list but a natural part of the day. So get walking and enjoy your community!
