The meeting was called to order at 5:01 p.m.

Members present: Chair Scott Kraehnke, Kevin Greene, Brian Koester, Mike Skauge, and Mike Oates (arrived at 5:05pm).

Others present: Paul Giesen and Liz Howayeck and Justin Burris, Building Inspector.

3. Consideration of the application and plans on file for a one-story rear addition at residential property 4464 N. Maryland Avenue, property owner Howayeck Family Trust.

Project architect Paul Giesen introduced the project, noting that the flat roof design was chosen to not interfere with the existing 2nd floor windows and that it would allow for an easier 2nd story addition in the future should the owners decide to do so. Mr. Oates inquired about the LP Smartside contrasting with the existing aluminum siding. Mr. Giesen explained that the existing aluminum siding on the house would be replaced in the near future to match the LP Smartside on the addition.

Mr. Koester moved to approve the project as submitted; seconded by Mr. Oates. Vote 5-0.

4. Adjournment.

Mr. Koester motioned to adjourn the meeting at 5:14 p.m.; seconded by Mr. Koester. Vote 5-0.
