Parking in lots owned by the Village requires the permit holder to recognize that from time to time the Village may need to temporarily restrict access to the lot for a public purpose. If and when this occurs, the Village will work collaboratively with permit holders to make other reasonable accommodations for any such restricted access to the lot.

VACATION PARKING is available for monthly paying parkers. Contact Clerk & Customer Service at least 2 business days prior to leaving to arrange parking in the vacation lot. There is a \$5 charge for up to a 2-week period.
