SEE BACK PAGE FOR MORE DETAILS

### WORKSHOPS

#### Residential Energy Efficiency

10:30 am – 11:00 am

#### Native Habitat Gardening

11:00 am – 11:30 am

Please meet at the Conservation Committee booth in the parking lot. In case of rain, the Conservation Committee table will be in the cafeteria. Use northwest entrance of building.

#### Composting Workshop

Noon – 1:00 pm

Workshop will be held at the community garden area of Shorewood High School. Meet on lawn area just north of school parking lot on Oakland Ave.

### The Department of Public Works

The DPW will have staff on hand to answer your questions about waste disposal and recycling. In addition, the DPW will have recycling bins for sale, some native plants available and will be able to offer related planting advice.

### Participating Environmental Groups

Enjoy a cup of complimentary coffee from our local Colectivo and meet with representatives from various community and environmental committees who will be available to provide information and answer your questions.
