

## WATER SAMPLE REMINDER

A water sample bottle and instructions were recently left at your home.

It is important that this baseline sample be taken **BEFORE** any work is begun on your new water service.

Connection of your new water service is tentatively scheduled for the week of Monday, April 25.

**PLEASE TAKE YOUR BASELINE SAMPLE AS SOON AS POSSIBLE BUT BEFORE MONDAY, APRIL 25.**

If you have any questions, please call the DPW at 847-2650.
