## Memory “Café”

Memory “Cafés” are drive-through events where persons with Mild Cognitive Impairment, early-stage Alzheimer’s or a related dementia can go with their care partners to socialize and greet volunteers in a socially safe activity. During this half-hour you are asked to mask up, roll down your passenger-side window and drive through a series of interaction stations around the circle drive. Participants will remain in their cars the entire time.

Milwaukee County Memory Cafés are offered free.
