GENERAL DEFINITIONS

A member of household is defined by state and federal laws. The Internal Revenue Service (IRS) defines a member of household as a person who is related to you or lives with you for the entire year as a member of your household. The IRS explains a member of household for tax purposes as follows: "If the person is not related to you, he or she must have lived in your home as a member of your household for the entire year (except for temporary absences, such as for vacation or school).

Household income counts all the income of all residents over the age of 18 in each household, including not only all wages and salaries, but such items as unemployment insurance, disability payments, child support payments, regular rental receipts, as well as any personal business, investment, or other kinds of income received routinely.

HOW TO APPLY FOR A REDUCTION and/or VEHICLE EXEMPTION.

Are you applying for a cost reduction of an IID? ___Yes ___No. For vehicle exemption? ___Yes ___No.

TO APPLY FOR COST REDUCTION (not vehicle exemption), you must present to the court a completed application. **A completed application means this form and financial proof**, such as a recent pay stub received within the last 30 days and not less than the first page of your most recent federal income tax return (Form 1040 or 1040A) and, if applicable, a recent benefit letter for SSI or other benefits for yourself. You will also need to know the amount of income/benefits for all adult members of your household.

TO APPLY FOR VEHICLE EXEMPTION, you need to provide the following information for each vehicle that you want to exempt: Year, make, vehicle identification number (VIN) and license plate number. The VIN can be found on the title to your vehicle or the bottom of your windshield. Example: 2005 Chevrolet 1GNDV03E65D113775 515ABC

NOTE: You may qualify to have one or more of your vehicles exempted, and/or any DOT stop orders blocking the transfer of vehicles titled in your name lifted, even if you do not qualify for a cost reduction in the installation and maintenance of an IID.
